What is Caregogi?

Caregogi is an online platform that connects independent caregivers to local seniors instantly online. Caregogi cuts out agency overhead and is therefore able to provide home care at half the cost of traditional agencies.

Caregogi uses a matching algorithm developed by Mary Jo Dietrich, RN-BSN who has over 10 years of experience in the senior care arena. The website is designed to be easy to use for families who are struggling to collaborate on care for their aging parents.

Who is Caregogi for?

Caregogi is an easy to use tool for anyone who is caring for an aging loved one. Caregogi simplifies the home care process by providing hundreds of caregivers for you to choose from in an instant.
